FREQUENTLY ASKED QUESTIONS

HOW DOES OWNERSHIP IN THE DOUBLETOP RESIDENCE CLUB WORK?

Each Owner will own a one-sixth (1/6) undivided interest in fee simple title in The Doubletop Village Residence Club which is organized as a shared-use residence interest. The rights and responsibilities of each Owner are set forth in the Doubletop Village Residence Club Declaration of Covenants, Conditions and Restrictions. This form of ownership will provide all of the customary tax benefits and legal rights of property ownership.

HOW IS THE PROGRAM MANAGED?

The Balsam Mountain Preserve Real Estate office will act as the program's Management Company, diligently attending to its everyday requirements. This includes the seamless handling of all reservation requests and the organization of housekeeping services. The team will schedule and manage maintenance tasks, liaising with homeowners in anticipation of their arrivals to accommodate any specific requests they may have. Additionally, the office will oversee all business affairs related to the Doubletop Village Residence Club, ensuring smooth and efficient operations.

WHAT IS THE PROCESS FOR RESERVING TIME AT THE DOUBLETOP VILLAGE RESIDENCE CLUB?

The Management Company will send out a form twice a year for two seasonal periods: Winter/Spring and Summer/Fall. Owners rank their top six week preferences for each period. Each fractional share has an initial priority number, determining the booking order for the first round. The booking then follows a "snake draft" pattern: after the owner with the last priority number picks their week, they go first in the next round. This zigzag pattern continues, ensuring each owner has an equitable chance at both high and low-demand weeks. This approach offers a fair rotation, allowing owners who pick last in one round to pick first in the next, balancing access to preferred weeks.

WHAT ARE THE ANNUAL ASSESSMENTS?

The Management Company will bill each Owner quarterly for their assessments, which are designed to cover the direct and shared costs of the program such as Club dues, Community Association dues, utilities, property taxes, management fees, maintenance, insurance, as well as funding a reserve account.

WHO ESTABLISHES THE ASSESSMENTS AND CONTROLS THE AFFAIRS OF THE PROGRAM?

Initially, the developer, BMP David Southworth Real Estate Holdings, LLC, will control all of the affairs of the program for five years, at which point, a

board of directors made up of Owners will transition to controlling the program. See the Articles of Incorporation and Bylaws of the program for more details.

CAN OWNERS INVITE GUESTS TO USE THEIR RESERVED TIME DAYS?

Yes, owners can invite their children, parents, or sponsored guests to use their Reserved Time days.

CAN I RENT OUT MY RESERVED TIME WEEK?

Yes, but all rentals of Reserved Time weeks must be marketed and booked through the Management Company or by a company designated by the Management Company. The Management Company will handle all aspects of the rental. Revenue from the rental, after applicable fees, will be paid directly to the Owner whose reserved time week was utilized for the rental.

DO OWNERS PAY HOUSEKEEPING CHARGES?

Yes, a housekeeping fee will be charged for each visit. Owners and sponsored guests may request additional housekeeping services at an extra charge.

DO OWNERS AND THEIR SPONSORED GUESTS HAVE ACCESS TO CLUB FACILITIES?

HOW WILL THE HOME BE FURNISHED?

The interior of the home is being designed by Alchemy Design Studio, the same group that designed the Club at Balsam Mountain restaurant, tavern, and wellness center. The home will be decorated in a warm, comfortable and tasteful manner. Furniture will be sturdy and comfortable, in excellent condition and of excellent quality. In addition to the living area, all bedrooms will have smart TVs. The kitchen will be outfitted with Sub-zero and Wolf appliances, and will have high-quality kitchen tools and utensils.

IS THERE ROOM FOR OWNER'S TO STORE PERSONAL ITEMS?
